He are very much against the  
viewing of T.V. at Prime-Time  
for children. When 7-12 yr. old  
Grandchildren see T.V. there  
parents (+ aunts) make sure  
they don't watch talk shows,  
Current Affairs, E.T. tonight (7 + 7:30  
PM.

Some children don't have  
adults at home to know the  
4-8:00 PM. shows are not for  
viewing.

I stopped watching Doogy  
House this year because they  
+ to several teen-age material

I wish all of you luck &  
support the screening of T.V.  
Take sex & violence off the screen!!
